

15/10/2021 Slides from Evaluator sessions Workshop details and dates for Action Research Sessions

To: All Targeted Schools

Good Afternoon

It was lovely to see all the schools attending sessions with the Evaluation team on Monday and Tuesday. Please find attached the slides from these briefings. Slides 11 and 12 are useful to support your identification of Short, Medium and Long term Outcomes. From the conversations Dale is having with you all, it is clear that some schools have identified their specific focus and others are still exploring/refining the specific priority. Slide 19 provides helpful framing to draft your essential question/focus. If you could formulate your **draft** question and email this back to [Dale.Hill@Cumbria.gov.uk](mailto:Dale.Hill@Cumbria.gov.uk) by **Friday 22<sup>nd</sup> October**, it will be invaluable to prepare future support for you.

**Implementation Plan Workshops** supported by Cumbrian Research School & Shotton Hall RS

We have organised workshops to refine and sign off on Implementation Plan priorities in line with our Key Performance Indicator for the end of November. Ideally the workshop should be attended by two members of the Implementation team, £200 supply cover is available if needed and a claim form will be available on the day. Please see below for details of your school's session.

**If you cannot attend on the date and time outlined below please contact me, attendance at one of the workshops will be essential**
