

26/11/2021 WELL ICAN Talkboost Survey

To: All ICAN Talkboost Schools

Good Afternoon

I am wiring to you today because your school received WELL funded ICAN Talkboost training and resources back in early 2020.

Thank you to all of the schools who submitted entry and exit data onto the ICAN tracker last year, the results that we have received so far have been promising. If you have data still to enter for previous terms please can you submit onto the new ICAN Tracker. If you require assistance with setting this up please indicate so on the form.

We need to be able to further evaluate the effectiveness of this intervention and plan future development, so would be grateful if you could complete a [short survey here](#) by the **10th December** to assist us with this. For those school who no longer use the intervention we would be grateful if you could still complete as this is still helpful feedback.
