Good Morning

### **WELL Website and Social Media**

We are really pleased to announce that the [WELL Website](#), [Instagram](#) and [Facebook](#) pages have now launched, making it easier to keep up to date with all things WELL.

We hope you will find these useful and that they will support your participation and engagement with the WELL Project. Our commitment to keeping you all up to date and well informed will continue as we begin using these platforms, which will grow as we add more content over the coming days and weeks, so please visit, like and follow as and when you can. The team will of course continue keeping in touch as we always have done with direct emails, webinars and drop in sessions etc

### **MADE in Cumbria**

Please find attached the up to date Time Table of events for MADE in Cumbria

All recording of sessions will be available at <https://welleducation.uk/made-in-cumbria-events/> using the password **w3ll**

The Becky Francis (CEO of EEF) session is already available to view.
