

How to access your Targeted Grant Offer 2022-23

Dear Head Teacher / Implementation Team

We are pleased to confirm that we have received the second instalment of the WELL Project Grant and look forward to working with you as we move into the next phase of the project.

Grant Offer Agreement 2022-2023

You will be familiar with the WELL Grant Offer Letters (GOL) that outline the purpose of the Grant and the Conditions that apply. We will be issuing the 2022-23 GOL shortly after summer half term, which will specify all the Conditions. The Monitoring requirements will be as follows:

1. Participation in one of the June 2022 Workshops outlined below and subsequent 22-23 Workshops (dates to follow), including updating current WELL Implementation Plan.
2. Completion of the WELL Compelling Offer Menu 2020-21 (WELLCOM) Summary Evaluation – Personalised emails will be sent to you over the next two weeks, providing a template to complete and return

June 2022 Workshops

The June Workshops will be delivered by Cumbria Research School and the WELL Team. They will enable schools to revisit core principles, connect with other schools and refresh your Implementation Plans for 2022-23.

In preparation for this Workshop please use the NOTES section of your current WELL Implementation Plan to write a brief summary of progress to date. Pre-reading for the workshop will be sent to you w/c 16th May.
